xTablet T1190

Rugged, thin and lightweight tablet that delivers power and performance

MobileDemand's thin and light tablet with a 10.1-inch sunlight viewable screen is perfect for today's outdoor mobile workforce.

The lightweight, multi-function, easy to carry and hold design make it an exceptional choice for those in a highly mobile environment where customer interactions demand speed and accuracy.

When equipped with an optional 3-in-1, MSR, chip and contactless payment module kit, the T1190 is poised to tackle secure mobile transactions for quick serve restaurants, retail businesses, healthcare and more.
